

• **FAMOUS DIAMONDBACK GRILL BURGERS** •

Indeed we are best known for our hefty half-pound burgers that will certainly require multiple napkins to take care of the juices on your hands. Each is cooked to your specifications, from rare to well-done and everything in-between. Our juicy burgers are assembled on a sesame bun with mayo, lettuce, tomato, red onion & pickle. You want your onions grilled? No problem. Don't see your favorite combination? Just ask and we'll make it for you. Burgers are served with a generous side of golden fries, soup or salad. Add \$1.00 to substitute onion rings, sweet potato or garlic fries.
